F. The 7th Dasha starts on 13th January 1978

3 years

We have noticed that the periods are all negative till March ^{April} 1978 and main trouble was due to Shani. We have suggested that Blue Sapphire be tried and he should keep it putting.

Hospitalization and travels indicated.

The only remedy in this case is to do Maha Mrityunjaya Japa and Havana. Previously also now also we have recommended. Shiva is the presiding deity of Shani and with this the native will be able to overcome disease and life span increases. Astrologically it is upto 81 years 4 months [approximate].

Japa and Havana [with सुखावली Giloye Ward and Shudha Ghrita] is essential.

May God bless the native and give him long life to carry on the Govt Work.
